

## "God is Taking The City" campaigns

God's heart is that everyone will receive Jesus. For over twenty-five years we've heard a cry coming forth from Church leaders and the Saints desperately seeking answers on how to evangelize their City. Whether you're a church just getting started, or a church with thousands, we can assist you.

Behold how good and pleasant it is, for brethren to dwell together in unity!

*(Psalm 133:1)*

God wants His people to work together. Channel of Love's sole vision and purpose is to equip the Saints to do the work of evangelism. They have a gift to spearhead "God Is Taking The City" where groups of churches work together and are trained and equipped to do outreaches throughout their City. Through these outreaches thousands hear the Gospel message, and countless people are saved and activated to do ongoing ministry.

Now's the Time

for JESUS!
